To: State Management Team

From: Director, External Affairs

Subject: FY 2003 Annual Report

DD: January 17, 2004

The Montana/Dakotas Bureau of Land Management Annual Report is due to be printed in January 2004 and will reflect data from FY 2003. The attached files pertain to your area of responsibility. Please provide us with updated statistics by January 17, 2004.

Three years ago we changed the format to reduce the size of the publication and save on printing and mailing costs. Most of the data is condensed into bullet statements that reflect the facts most often requested; however, the more detailed information is still available at

<http://www.mt.blm.gov/ea/annrpt/index.html>.

Please update the files or indicate changes on a hard copy and return to External Affairs. If you would like to include any additional statistics, please send them with your submission.

You may direct inquiries to Ann Boucher at 896-5011.
